GLC  
Technology

# Mercedes-Benz User Experience (MBUX)

Transforming the in-car user experience, thanks to MBUX: Controlled via voice or touch input, the innovative infotainment system can over time even predict personal habits thanks to artificial intelligence.

## Voice control

- Activated by the keywords “Hey Mercedes”, the new intelligent voice control LINGUATRONIC<sup>1</sup> lets you control many of the infotainment functions, including destination input, phone calls or music selection
- MBUX is able to understand different accents and will adjust to you over time
- MBUX even understands indirect commands. Feeling chilly? Just say “I feel cold” and MBUX will adjust the temperature for you

## Touch inputs

- Beside voice control you can operate MBUX via touchscreen or the touch control buttons on the steering wheel

## Personalisation

- Turn the GLC into your very own Mercedes-Benz by personalising driving modes, radio stations and much more
- Your personal settings can be saved in up to seven different profiles, making your driving experience the best one possible
- Thanks to artificial intelligence, MBUX is able to learn and adapt over time. It will be able to predict your personal habits, such as navigation for frequently-driven routes, or the radio station you like to listen to on your way home from work

## Maintenance and service

- Wondering when the next service is due? Or how much further you can drive until you need to stop at a petrol station? Just ask your MBUX – it will tell you the answer

<sup>1</sup>LINGUATRONIC off-board functions are currently only available for three years. Some of the model features, optional extras and colours shown may not be available, or may only be available in a different specification, or at a different price.

# Mercedes me connect

Stay connected any time, anywhere.

# Mercedes me

Mercedes me is a range of innovative online services designed to enhance your Mercedes-Benz experience. Accessible via mobile, tablet or PC, Mercedes me lets you enjoy the highest standards of care and support, in a way that integrates seamlessly with your busy lifestyle.

### Safety and Service – Mercedes me connect helps to keep you and your car safe

Check your car's oil level, tyre pressure and fuel from your phone so you'll be ready for every journey.

### Infotainment – Online and Entertainment services from Mercedes me connect

Love music? Get a 3-month free subscription to Tidal when you connect your car.

### Live Traffic Information, Parked Vehicle Locator and much more with Mercedes me connect

Forgot where you've parked? Parked Vehicle Locator<sup>1</sup> will show you exactly where your car is as long as you're in a 1-mile radius of where you parked. Real-time traffic data and dynamic route with shorter journey times.

For more information speak to your local Mercedes-Benz Agent or visit the Mercedes me connect store at [shop.mercedes-benz.com/en-gb/connect](http://shop.mercedes-benz.com/en-gb/connect)

### Comfort – connect to your car anytime, anywhere

Forgot to lock your car? With Remote Car Lock<sup>2</sup> you will receive a notification on your smartphone to let you know. With one tap, you can lock and unlock your vehicle so you never have to worry.

<sup>1</sup>Available on all models with the Vehicle Monitoring package. This option may vary between standard and additional cost dependent on the model

<sup>2</sup>Part of the Vehicle Status package. This option may vary between standard and additional cost dependent on the model

# Plug-in Hybrid

# Plug-in Hybrid Electric Vehicles (PHEVs) Benefits of driving plug-in hybrid.

Our plug-in hybrids feature either a petrol or diesel powertrain, combined with a High Voltage battery and electric motor. Enjoy hybrid mode for maximum efficiency, or all-electric mode for local emission-free driving.

## Lower road fund license

Plug-in hybrid vehicles have lower emissions – this means you pay less for road tax.

## Cleaner vehicle discount

Plug-in hybrid models qualify for the 100% cleaner vehicle discount within the London Congestion Charge zone.

## Business benefits

With 100% first-year capital allowances<sup>1</sup> and lower Company Car tax, electric cars offer significant benefits to businesses and employees.

[Click here for more information](#)

<sup>1</sup>100% first-year capital allowances only apply to vehicles less than 50 g CO<sub>2</sub>/km. Some of the model features, optional extras and colours shown may not be available, or may only be available in a different specification, or at a different price.

# Plug-in Hybrid Electric Vehicles (PHEVs) The GLC 300 e and GLC 300 de.

Plug-in hybrid vehicles enjoy the same functionality of full Hybrid technology, with the added benefit that they can be charged from an external electricity source.

## GLC 300 e 4MATIC

Petrol – 1,999 cc, 4-cylinder, 201 hp/150 kW  
Electric motor – 134 hp/100 kW

OTR from **£62,210<sup>1</sup>**

## GLC 300 de 4MATIC

Diesel – 1,993 cc, 4-cylinder, 194 hp/145 kW  
Electric motor – 134 hp/100 kW

OTR from **£64,460<sup>1</sup>**

**Available as:** AMG Line, AMG Line Premium and AMG Line Premium Plus

### Standard equipment

Charging cable – Mode 3 cable (4 metres, straight) for wallbox and public charging stations

Charging socket

Charging system – AC charging system rated at 11 kW AC

Pre-entry climate control

Radar-based recuperation

Remote and Charging Services Plus

### Technical details

Equivalent All-Electric Range (EAER) <sup>2</sup>	up to 80 miles
Charging time – wallbox (11 kW AC) 10–100% <sup>3</sup>	2 hrs 30 mins
Range power consumption, combined <sup>2,4</sup>	20.4–22.5 kWh/100 km
Battery type (capacity)	lithium-ion (31.2 kWh)
Capacity on-board charger	11 kW AC

<sup>1</sup>The recommended on-the-road price includes the Road Fund Licence applicable to the standard model plus delivery charge (£730.00 incl. VAT), new vehicle registration fee (£55.00), fuel (£50.00 incl. VAT), and number plates (£25.00 incl. VAT). VAT is calculated at the standard rate of 20%. Some of the model features, optional extras and colours shown may not be available, or may only be available in a different specification, or at a different price

<sup>2</sup>The indicated values were determined according to the prescribed measurement method - Worldwide Harmonised Light Vehicle Test Procedure (WLTP). Figures shown may include options which are not available in the UK. For Plug-in Hybrid Electric Vehicle (PHEV) figures determined with the battery fully charged, using a combination of both battery power and fuel. These models require mains electricity for charging

<sup>3</sup>Specified voltage and current values refer to network infrastructure and can be limited by the vehicle. Times are from 10–100% charge using a wallbox (three-phase) or standard socket (single-phase)

<sup>4</sup>The certified electrical consumption is generally determined at maximum AC charging capacity using a Mode 3 cable. It is therefore recommended that vehicles with a HV battery preferably be charged at a wallbox or an AC charging station with a Mode 3 cable in order to achieve shorter charging times and improved charging efficiency

# Mercedes me Charge One registration, one contract, one billing.

Mercedes *me*

Mercedes me Charge provides access to a multitude of public charging stations located in shopping centres, hotels or at motorway services. A smartphone app as well as the vehicle's navigation system show the precise location, current availability and price at the selected charging station.

### Tens of thousands charging stations in the UK

Growing network of charging providers includes bp pulse the largest charging network in the UK. Customers also get six months free bp pulse+ membership which reduces the electricity price when charging.

### Access to fast-charging stations

Enables customers to get access to charging stations of different providers with:

- Mercedes me app
- RFID card
- Mercedes-EQ Vehicle Head unit

### Green charging

All charging using Mercedes me Charge, will be retrospectively 'greened' by Mercedes-Benz. Please click [here](#) for more info.

### Transparent and easy billing

One invoice charging processes for payment.

### Easy access

Charging stations are displayed in Mercedes me app and in MBUX multimedia system.

### No fees

Mercedes me Charge is standard for one year with discounted IONITY rapid-charging for one year.

# Mercedes me Charge Tariffs

For more transparency and predictability, enjoy numerous features tailored to your charging habits with the new Mercedes me Charge fixed-priced tariffs S, M and L. Owners of a new Plug-in Hybrid model will be entitled to the Mercedes me Charge tariff M free of charge for the duration of 12 months.

## Tariff L

Recommended for 'frequent drivers'

Choose our tariff L to benefit from the best fixed prices for public charging, including discounted rapid-charging at IONITY charging stations as well as all Mercedes me Charge features. This tariff is recommended for frequent and long-distance drivers.

Consisting of:

- All Mercedes me Charge features
- Fixed prices per kWh (AC: £0.45/kWh; DC: £0.53/kWh)<sup>1</sup>
- IONITY rapid-charging stations discounted (£0.53/kWh)

**£10.90/month**

## Tariff M

Recommended for 'regular drivers'

Should you wish to downgrade your tariff package after 12 months but still want to benefit from fixed prices, discounted rapid-charging at IONITY charging stations and complete transparency, choose tariff M. This tariff is recommended for regular drivers.

Consisting of:

- All Mercedes me Charge features
- Fixed prices per kWh (AC: £0.52/kWh; DC: £0.61/kWh)<sup>1</sup>
- IONITY rapid-charging stations discounted (£0.61/kWh)

**Free of charge for the duration of 12 months.**

**Thereafter:**

**£4.90/month**

## Tariff S

Recommended for 'casual drivers'

Should you wish to downgrade your tariff package after 12 months, there is the option to go for tariff S, which still offers you all the Mercedes me Charge features based on flexible prices per kWh. This tariff is recommended for casual drivers.

Consisting of:

- All Mercedes me Charge features
- Flexible prices per kWh

**£0/month**

<sup>1</sup>Tariff rate excludes the BP Pulse charging network Price information is not guaranteed and is subject to change. Definitive price information can be found on the Digital Charging Solutions page: <https://eu.charge.mercedes.me/web/en/daimler-gb/tariffs>

# Home charging with bp pulse Simple, convenient, fast charging.

Mercedes-Benz plug-in vehicle customers with off-street parking can benefit from the convenience and speed of charging at home by installing a home charger. Charge your vehicle with the home charger up to 3x faster than using a standard domestic socket.

## Home charging with bp pulse: £999\* incl. VAT and standard installation

### Key benefits of bp pulse:

bp pulse is one of the only full-service charging solution providers in the UK – producing and installing tens of thousands of their own smart-enabled and reliable Homecharge units across the country.

A comprehensive 3 year warranty.

The standard installation package includes up to 15m of external cabling.

It comes with a bundled offer of 3 month free subscription to the public network and 250 free miles of charge.

The bp pulse home unit is designed from the ground up to be user friendly, future proofed and feature packed with an exciting roadmap of over the air updates ahead.

The bp pulse public network consists of over 9,000 charging bays across the UK with the best rates on a subscription basis.

Choice of tethered or un-tethered units.

### OZEV Grant:

You may be entitled to claim for an OZEV grant towards the cost of your home charger.<sup>1</sup> To find out whether you are entitled please contact your local Mercedes-Benz Agent.

### Questions?

Please contact your local Mercedes-Benz Agent to submit an enquiry to your chosen charging partner on your behalf. To find your local Mercedes-Benz Agent, please click the button at the top right hand corner.

### Warning!

If you are planning to charge your Mercedes-Benz plug-in electric vehicle using a 3-pin domestic plug socket you must get a qualified electrician to inspect and sign off the socket to confirm it is safe and suitable to charge your vehicle. Do not use an electric vehicle 3-pin charge cable with an extension cord.

\*Price excludes £350 OZEV EVHS Grant. Price correct at time of publication, subject to change

<sup>1</sup>The home charger £350 Grant (including VAT) is only available to customers who meet the criteria of the Office for Zero Emission Vehicles (OZEV). For full details and eligibility criteria for the OZEV EVHS Grant, see <https://www.gov.uk/government/publications/electric-vehicle-homecharge-scheme-guidance-for-customers-version-21>.

# Home charging with Pod Point Simple, convenient, fast charging.

Mercedes-Benz plug-in vehicle customers with off-street parking can benefit from the convenience and speed of charging at home by installing a home charger. Charge your vehicle with the home charger up to 3x faster than using a standard domestic socket.

## Home charging with Pod Point: £875\* incl. VAT and standard installation

### Key benefits of Pod Point:

Pod Point is one of the leading provider of EV charging in the UK with over 120,000 home chargepoints installed.

A comprehensive 3 year 'swap out' warranty is included.

Auto Power Balancing lets you adjust your charge so that your electrical supply doesn't get overloaded when your home is using a lot of energy.

Built-in earthing protection removes the needs for expensive earth rods.

The Pod Point public network consists of over 6,200 charging bays across the UK with over 80% of the charge points free to use.

The standard installation package includes up to 15m of external cabling.

Choice of tethered or un-tethered units.

### OZEV Grant:

You may be entitled to claim for an OZEV grant towards the cost of your home charger.<sup>1</sup> To find out whether you are entitled please contact your local Mercedes-Benz Agent.

### Questions?

Please contact your local Mercedes-Benz Agent to submit an enquiry to your chosen charging partner on your behalf. To find your local Mercedes-Benz Agent, please click the button at the top right hand corner.

### Warning!

If you are planning to charge your Mercedes-Benz plug-in electric vehicle using a 3-pin domestic plug socket you must get a qualified electrician to inspect and sign off the socket to confirm it is safe and suitable to charge your vehicle. Do not use an electric vehicle 3-pin charge cable with an extension cord.

\*Price excludes £350 OZEV EVHS Grant. Price correct at time of publication, subject to change

<sup>1</sup>The home charger £350 Grant (including VAT) is only available to customers who meet the criteria of the Office for Zero Emission Vehicles (OZEV). For full details and eligibility criteria for the OZEV EVHS Grant, see <https://www.gov.uk/government/publications/electric-vehicle-homecharge-scheme-guidance-for-customers-version-21>.

<sup>1</sup>The indicated values were determined according to the prescribed measurement method - Worldwide Harmonised Light Vehicle Test Procedure (WLTP). Figures shown may include options which are not available in the UK. For Plug-in Hybrid Electric Vehicle (PHEV) figures determined with the battery fully charged, using a combination of both battery power and fuel. These models require mains electricity for charging. <sup>2</sup>Figures shown are for comparability purposes; only compare with other cars tested to the same technical procedures. Figures may not reflect real life driving results, which will depend upon a number of factors including factory-fitted options, accessories fitted (post registration), variations in weather, driving styles and vehicle load. Further information about the test used to establish fuel consumption and CO<sub>2</sub> figures can be found at <http://www.mercedes-benz.co.uk/WLTP>. <sup>3</sup>A different first year rate of Vehicle Excise Duty (Road Fund Licence) applies for new cars. Please refer to page 37 for the relevant rate for the second and subsequent years. <sup>3</sup>The recommended on-the-road price includes the Road Fund Licence applicable to the standard model plus delivery charge (£730.00 incl. VAT), new vehicle registration fee (£55.00), fuel (£50.00 incl. VAT), and number plates (£25.00 incl. VAT). VAT is calculated at the standard rate of 20%. Some of the model features, optional extras and colours shown may not be available, or may only be available in a different specification, or at a different price.

# Driving Assistance package Plus

The Driving Assistance package Plus<sup>1</sup> contains a range of highly intelligent features to help you stay safe on the road – by making the drive more effortless, by warning of danger, and by taking steps to protect you in an emergency.

**Driving Assistance package Plus<sup>1</sup>** (code P20) – designed and priced as a package, including items as listed.

**Only available for AMG Line Premium Plus    Total incl. VAT £1,695.00**

**Active Blind Spot Assist** can warn the driver of vehicles in the blind spot during a lane change and can help to avoid a collision by means of one sided braking intervention.

**Active Braking Assist with cross traffic** function can help to avoid accidents with vehicles ahead, crossing traffic and also pedestrians, and/or mitigate their consequences.

**Active Distance Assist DISTRONIC** relieves the strain on the driver and provides support in both flowing and stop and go traffic. The intelligent system controls the distance from the vehicle in front, adapts the driving speed to what is happening en route and takes on the demanding task of following a queue or traffic jam

**Active Lane Change Assist** supports you by bringing you into the parallel lane if there is space when changing lanes.

**Active Speed Limit Assist** helps you to observe the stipulated maximum permissible speed, even in unclear situations. A camera detects maximum permissible speeds, which Active Distance Assist DISTRONIC automatically adopts and sets as the speed for enhanced safety and comfort when driving.

**Evasive Steering Assist** can support the driver in making evasive manoeuvres if, in a dangerous situation, he/she moves to avoid any pedestrian detected by the system

**PRE SAFE®** can prepare the occupants for a side on collision and reduce the risk of injury. Like a bodyguard, it pushes the driver or front passenger away from the danger zone towards the inside.

**PRE SAFE® PLUS** when a rear end collision threatens, PRE SAFE PLUS can initiate preventive measures, including warning following traffic and locking the brakes on standstill.

<sup>1</sup>Our driver assistance and safety systems are aids and do not relieve you of your responsibility as the driver. Please take note of the information in the Owner's Manual and the system limits which are described therein

# Trailer coupling with ESP® trailer stabilisation

**Trailer coupling with ESP trailer stabilisation** (code 550)

**Available on all models**

**Total incl. VAT £695.00**

Expand your transport options: with this practical equipment you can hitch up both trailers or caravans and also mount cycle racks. The trailer coupling is ready for use in no time at all – and can be folded in again behind the rear bumper just as quickly when it is no longer needed.

Operating safety is the top priority: to fold out the trailer coupling, you must first unlock it via the control button in the boot. As soon as the button light goes out, the trailer coupling is correctly engaged and is therefore ready for use.

Even when driving you can benefit from a comprehensive safety concept: the ESP® trailer stabilisation is able to intervene automatically in critical situations when driving with a trailer. The associated sensor system detects the trailer independently as soon as the electric plug is connected to your vehicle.

The ESP® stabilisation functions are automatically active from a speed of 40 mph. When undesired oscillating motions are detected, the Trailer Stability Assist actively dampens these with the aid of alternate brake actuation of each individual wheel. In most cases this is already sufficient to reduce dangerous oscillations. If necessary, the system additionally reduces the speed: for this, the engine torque is reduced and the vehicle is braked via all four wheels.

# Standard equipment

● Standard    – Not available

## Battery and Charging

	AMG Line Premium Plus	AMG Line Premium	AMG Line
1× type 2, 3-phase wallbox cable, 4 m, straight (hybrid models only)	●	●	●
48V technology (mild hybrid engines only)	●	●	●
Alternating current charging system (AC charging) (plug-in hybrid engines only)	●	●	●

## Transmission and Suspension

4MATIC permanent four-wheel drive	●	●	●
9G-TRONIC PLUS 9-speed automatic transmission with steering column gear selector, DIRECT SELECT steering wheel gearshift paddles and SPEEDTRONIC cruise control with variable speed limiter	●	●	●
Driving modes – DYNAMIC SELECT with a choice of driving modes (ECO, Comfort, Sport, Individual and Offroad)	●	●	●
ECO start/stop function	●	●	●
Residual engine heat utilisation	–	–	●
Suspension – comfort suspension (plug-in hybrid engines only)	●	●	●
Suspension – self-levelling suspension (plug-in hybrid engines only)	●	●	●
Suspension – sports suspension tuned for improved handling and driving dynamics (mild hybrid engines only)	●	●	●

## Exterior

AMG Line Exterior package – front and rear apron, side skirts	●	●	●
Boot Comfort package	●	●	●
Brake callipers – with 'Mercedes-Benz' lettering and perforated front brake discs	●	●	●
Chrome package – chrome trim on front, side and rear	●	●	●
Diesel Particulate Filter (DPF) – diesel models only	●	●	●
EASY-PACK automatic powered tailgate	●	●	●
Fuel tank – 62 litres (excluding GLC 300 e and GLC 300 de)	●	●	●

	AMG Line Premium Plus	AMG Line Premium	AMG Line
Fuel tank – 49 litres (GLC 300 e and GLC 300 de only)	●	●	●
Glass – heat-insulating glass	●	●	●
Glass – noise-insulating acoustic glass	–	●	●
Glass – privacy glass from B-pillar backwards	●	●	●
Headlamps – Adaptive Highbeam Assist	●	–	–
Headlamps – DIGITAL LIGHT	–	●	–
Headlamps – DIGITAL LIGHT with projection function	–	–	●
Headlamps – LED High Performance headlamps including integral LED daytime running lamps and Adaptive Highbeam Assist	●	–	–
Headlamps – Adaptive Highbeam Assist Plus	–	●	●
Mirrors – heated and electrically adjustable exterior mirrors	●	●	●
Mirrors – Mirror package: electrically-folding mirrors and automatically-dimming exterior driver's mirror and rear view mirror	●	●	●
Panoramic electric glass sunroof	–	–	●
Petrol Particulate Filter (PPF) – petrol models only	●	●	●
Radiator grille – diamond radiator grille with integrated Mercedes star and louvre in dark grey matt with chrome inlay and black frame	●	●	●
Rain-sensing windscreen wipers	●	●	●
Roof rails – polished aluminium	●	●	●
Running boards – aluminium-look with rubber studs	●	●	●
Tail lamps – LED	●	●	●
Tailpipe – two chrome-plated tailpipe trim elements	●	●	●
Wider wheel arch for AMG wheels	●	●	●

## Wheels

	AMG Line Premium Plus	AMG Line Premium	AMG Line
19" AMG alloy wheels – 5-spoke design, aerodynamically optimised, painted black with a high-sheen finish, 235/55 (front) and 255/50 (rear) R19 tyres (code RRE)	●	–	–
20" AMG alloy wheels – 5-spoke design, aerodynamically optimised, painted black with a high-sheen finish, 255/45 (front) and 285/40 (rear) R 20 tyres (code RRN)	–	●	–
20" AMG alloy wheels – multi-spoke design, painted black with a high-sheen finish, 255/45 (front) and 285/40 (rear) R 20 tyres (code RVO)	–	–	●
Summer tyres	●	●	●

## Interior

Ambient lighting – 64 colours, ten colour moods and three dimming zones. Variable brightness setting	●	●	●
AMG Line Interior package	●	●	●
Chrome package	●	●	●
EASY-PACK load compartment cover	●	●	●
Floor mats – black AMG floor mats with edging and embroidered 'AMG' lettering	●	●	●
Illuminated door sill panels with 'Mercedes-Benz' lettering	–	●	●
Interior Lighting package – lighting of footwells, door handle recesses, as well as rear reading lamps (LED) and courtesy lights in all doors, illuminated vanity mirrors	●	●	●
KEYLESS-GO entry and starting function	–	●	●
KEYLESS-GO starting function	●	●	●
Outside temperature display, rear seat belt status indicator	●	●	●
Seats – four-way electric lumbar support and manual seat cushion depth adjustment (6 cm)	●	●	–
Seats – front, heated	●	●	●

	AMG Line Premium Plus	AMG Line Premium	AMG Line
Seats – Memory package: driver's seat, front passenger seat, steering column and exterior mirrors – electrically adjustable with memory	–	●	●
Seats – split-folding rear seats 40:20:40	●	●	●
Seats – sports seats	●	●	●
Seat belts – black	●	●	●
Stowage Space package – map pockets on the back of front seats, net on load compartment floor, folding box beneath load compartment floor, 12V socket in load compartment, stowage compartment beneath load compartment floor, cargo rails	●	●	●
Sports pedals in brushed stainless steel with rubber studs	●	●	●
Stowage – double cup holder in centre console	●	●	●
Stowage – front centre armrest with stowage compartment	●	●	●
Stowage – illuminated glove compartment	●	●	●
Sun visors	●	●	●
THERMATIC – 2-zone automatic climate control	●	●	–
THERMOTRONIC – 4-zone automatic climate control	–	–	●

## Steering

Steering – Direct-Steer speed sensitive steering	●	●	●
Steering column – electrically adjustable for height and reach	–	●	●
Steering column – manually adjustable for height and reach	●	–	–
Steering wheel – multifunction sports steering wheel in nappa leather, galvanised gearshift paddles, audio and onboard settings control	●	●	●

## Paint, Trim and Upholstery

	AMG Line Premium Plus	AMG Line Premium	AMG Line
Centre console in metal structure finish	●	●	●
Instrument panel and beltlines in ARTICO man-made leather with contrast stitching	●	●	●
Paint – non-metallic	●	●	●
Roof liner – black fabric	●	●	●
Trim – anthracite linestructure lime wood	–	–	●
Trim – metal structure trim element	●	●	–
Upholstery – ARTICO man-made leather	●	●	–
Upholstery – leather	–	–	●

## Safety and Assistance Systems

Active bonnet – pedestrian safety measure which detects an impact and raises bonnet	●	●	●
Active Brake Assist <sup>1</sup>	●	●	●
Active Parking Assist with PARKTRONIC – detects parking spaces at up to 22mph, controls steering, in conjunction with automatic transmission it also helps with accelerating, braking and changing gear. Visual and audible warning of detected obstacles based on distance and position and on detecting crossing traffic when reversing out of a parking space. System is able to briefly limit the moving-off speed when an obstacle is detected in the direction of travel	●	●	●
Acoustic presence indicator	●	●	●
Adaptive brake lights	●	●	●
ADAPTIVE BRAKE system with HOLD function and dry braking in the wet	●	●	●
Anti-theft alarm system with immobiliser and interior protection	●	●	●

	AMG Line Premium Plus	AMG Line Premium	AMG Line
ATTENTION ASSIST – continuously analyses driver behaviour and steering movements. If patterns are recognised which characterise drowsiness, the driver is prompted to take a break, and an audible warning is sounded	●	●	●
Automatic child seat recognition sensor	●	●	●
Automatic front passenger airbag deactivation	●	●	●
Blind Spot Assist	–	●	●
Braking system with larger brake discs on the front axle (mild hybrid engines only)	●	●	●
COLLISION PREVENTION ASSIST PLUS – the driver is given a visual warning if the distance from a vehicle in front is inadequate. On detecting the danger of a collision there is an acoustic warning, driver braking can be assisted and, if the driver fails to react, the speed can be reduced autonomously. Autonomous partial braking only occurs if the driver fails to react and is travelling at a speed range between 4–65 mph speeds for moving objects and 4–31 mph for stationary objects	●	●	●
Dual-stage airbags – driver and front passenger; driver kneebag and windowbags for driver, front passenger and rear passengers	●	●	●
Electric parking brake	●	●	●
Electronic Stability Programme (ESP®) with Curve Dynamic Assist and Crosswind Assist – for greater driving safety and stability, in particular when accelerating on bends; counters understeer by one-sided braking action. Detects sudden, strong gusts of wind and helps the driver stay in lane by means of targeted braking	●	●	●
Fluorescent jacket for driver	●	●	●
GUARD 360° vehicle protection Plus	●	●	●
Instrument display in miles with English lettering	●	●	●
ISOFIX child seat attachment points with top tether in rear (two outer seats)	●	●	●
Mercedes-Benz emergency call system	●	●	●

<sup>1</sup>Our driver assistance and safety systems are aids and do not relieve you of your responsibility as the driver. Please take note of the information in the Owner's Manual and the system limits which are described therein

Mercedes me connect (standard services) <sup>1</sup> – emergency call system (eCall), accident recovery, breakdown management and maintenance management	●	●	●
Remote and Charging Services Plus (plug-in hybrid engines only)	●	●	●
Remote services (plug-in hybrid engines only)	●	●	●
Smartphone integration <sup>2</sup> comprising Android Auto™ and Apple CarPlay®. Please check on <a href="http://www.apple.com/uk/ios/carplay/">www.apple.com/uk/ios/carplay/</a> or <a href="http://www.android.com/intl/en_uk/auto">www.android.com/intl/en_uk/auto</a> for compatibility and approved apps. Certain features and apps require a 3G or 4G data connection. Control of features available through voice control and controller on centre console	●	●	●
Sound personalisation	–	–	●
GUARD 360° vehicle protection Plus	●	●	●
USB package – two USB ports in centre console	●	●	●
Wireless charging <sup>2</sup>	●	●	●

<sup>1</sup>The availability of the control unit needed for 4G connectivity is temporarily limited for certain vehicles due to supply bottlenecks. This means that all Mercedes me connect services including the emergency call system (eCall) are not available at present in some vehicles. For further information contact your local Mercedes-Benz Agent    <sup>2</sup>Compatible mobile phone required

# Genuine accessories

We've developed a range of accessories you can add to help personalise and enhance your GLC.

### DUO plus child seat, with ISOFIX

Safe and secure: children between the ages of 9 months and 4 years (weight 9 to 18 kg) will enjoy travelling in the DUO plus child seat from Mercedes-Benz. The seat offers optimum protection in the event of an accident. A quick change of position: sitting, reclining and sleeping positions are adjustable with one simple manoeuvre. (A0009704302)

### KIDFIX XP child seat, with ISOFIX

Support and safety for older children too: The KIDFIX XP child seat is suitable for children between the ages of 4 to 12 years (body weight of 15–36 kg). It is securely attached to the vehicle using ISOFIX. The front-facing seat can also be secured in place using the 3-point seat belt. (A0009704902)

### Mercedes-Benz roof box

The Mercedes-Benz roof box allows you to safely transport your leisure accessories. Easy to slide into place and secure, the roof box is UV-resistant, impact-resistant, sturdy and durable. (Capacity approx. 400 litres: A0008401100; Capacity approx. 450 litres: A0008401200)

### Basic carrier bars for roof rails

Our basic carrier bars for roof rails are precision-tailored to the body of your vehicle. They offer the basis for a range of Mercedes-Benz transport accessories, for example, bicycle rack or roof boxes. (A2548901300)

All the above accessories are subject to availability and compatibility. Please ask your Mercedes-Benz Authorised Repairer for more information. Images shown are for illustration purposes only.

<sup>1</sup>Figures according to Directive 80/1269/EEC in the currently applicable version    <sup>2</sup>The indicated values were determined according to the prescribed measurement method - Worldwide Harmonised Light Vehicle Test Procedure (WLTP). Figures shown may include options which are not available in the UK. For Plug-in Hybrid Electric Vehicle (PHEV) figures determined with the battery fully charged, using a combination of both battery power and fuel. These models require mains electricity for charging    <sup>3</sup>The certified electrical consumption is generally determined at maximum AC charging capacity using a Mode 3 cable. It is therefore recommended that vehicles with a HV battery preferably be charged at a wallbox or an AC charging station with a Mode 3 cable in order to achieve shorter charging times and improved charging efficiency    <sup>4</sup>Specified voltage and current values refer to network infrastructure and can be limited by the vehicle. Times are from 10-100% charge using a wallbox (three-phase) or standard socket (single-phase)

Insurance ratings may vary depending on model line and specification. Please refer to <http://www.thatcham.org/abigrouprating/> for further details

<sup>5</sup>Mass of the vehicle in running order with at least 90% full fuel tank, plus the mass of the driver (estimated by law at 75 kg), fuel and fluids, equipped with the standard equipment as specified by the manufacturer as well as, where applicable, the mass of the body, cab, trailer coupling and spare wheel(s) as well as tools. Optional extras, additional equipment and accessories can influence the weight, residual payload, rolling resistance, aerodynamics, etc., and therefore also affect the consumption/CO<sub>2</sub> values <sup>6</sup>All figures are based on a standard specification with the smallest tyre size <sup>7</sup>The choice of wheels and transmission may affect CO<sub>2</sub> emissions and corresponding Road Fund Licence <sup>8</sup>The indicated values were determined according to the prescribed measurement method - Worldwide Harmonised Light Vehicle Test Procedure (WLTP). Figures shown may include options which are not available in the UK

# Road Fund Licence

All road vehicle registrations are subject to Vehicle Excise Duty (Road Fund Licence), which varies in accordance with the vehicle's CO<sub>2</sub> emissions. A first year rate for each taxation band will apply. The table below shows the bands (A-M) created by the DVLA and the corresponding Road Fund Licence. CO<sub>2</sub> emissions and the relevant Excise Duty are shown on the model pricing pages.

Band	CO <sub>2</sub> emissions (g/km)	First year rate petrol and RDE2 diesel (£)	First year rate all other diesel (£) <sup>1</sup>	First year rate alternative fuel (£)	Electric vehicles		Alternative fuel vehicles		Petrol/diesel vehicles	
					Standard rate (£)	Premium rate (£) <sup>2</sup>	Standard rate (£)	Premium rate (£) <sup>2</sup>	Standard rate (£)	Premium rate (£) <sup>2</sup>
A	0	0.00	0.00	0.00	0.00	0.00	0.00	0.00	0.00	0.00
B	1 to 50	10.00	25.00	0.00	0.00	0.00	155.00	510.00	165.00	520.00
C	51 to 75	25.00	120.00	15.00	0.00	0.00	155.00	510.00	165.00	520.00
D	76 to 90	120.00	150.00	110.00	0.00	0.00	155.00	510.00	165.00	520.00
E	91 to 100	150.00	170.00	140.00	0.00	0.00	155.00	510.00	165.00	520.00
F	101 to 110	170.00	190.00	160.00	0.00	0.00	155.00	510.00	165.00	520.00

Some of the model features, optional extras and colours shown may not be available, or may only be available in a different specification, or at a different price.

<sup>1</sup>Applies to all Mercedes-Benz diesel models which do not comply with RDE (Real Driving Emissions) Step 2 Certified (Euro 6d)

<sup>2</sup>Premium rate only applicable to vehicles where the list price is over £40,000 including any factory-fitted options, standard UK delivery charge and VAT

# Services and insurance

## Mercedes-Benz ServiceCare

We believe that servicing costs should be as flexible and affordable as possible for your new GLC, which is why we offer ServiceCare, an easy way to budget for all your servicing costs. It spreads your bills into manageable payments based on whether you have a new or used Mercedes-Benz. With ServiceCare we guarantee the price of parts and labour for up to four services and safeguard against any further inflation. It also covers the cost of all recommended service items including brake fluid, spark plugs, air filters, fuel filters and screen wash. You can choose either to add your servicing costs into your monthly spend or pay the full amount in a one-off payment, giving you peace of mind that they are taken care of for the period of the plan.

## Warranty and breakdown cover

Every Mercedes-Benz comes with a three-year unlimited mileage warranty against manufacturing or material defects<sup>1</sup> and up to 30 years warranty against perforation due to corrosion from the inside out.<sup>2</sup> What's more, it's also covered by Mercedes-Benz Roadside Assistance – a unique package comprising up to 30 years pan-European breakdown assistance.<sup>2</sup>

## Motor Insurance

We know that once you have chosen your Mercedes-Benz you can't wait to drive it – that's why we created First Cover<sup>3</sup>. It gives you 7 days' free comprehensive Motor Insurance when you buy a new or used vehicle from a Mercedes-Benz Agent. We will also send you a quote for annual cover, so you can enjoy the same peace of mind all year round.

[Apply for First Cover](#)

<sup>1</sup>Applies to vehicles sold by Mercedes-Benz in the UK to its franchised Mercedes-Benz Agents <sup>2</sup>Subject to full Terms and Conditions, dependent on date of registration, available upon request <sup>3</sup>Terms and Conditions apply. We are an independent intermediary dealing with selected insurers in respect of annual insurance

Effective from December 2022 Production. Information correct at time of publication 24.11.2022.
