

NEW
YARIS CROSS COMPACT SUV

POWERFUL DESIGN

Sit up and see the world from a new perspective. With its raised ground clearance and commanding driving position, the high-riding Yaris Cross gives you the confidence to tackle the city on your terms.

Bold wheel arches, a wide planted stance and large imposing alloy wheels deliver unmistakable attitude. Yet, thanks to its compact size, you'll instantly feel at home in bustling city streets. With reassuring poise and a spacious, versatile interior excelling at everyday demands, Yaris Cross, a true SUV, always keeps you moving.

Images are not UK specification.

HYBRID MOVES YOU FORWARD

From owning the city streets to embracing the open road, Yaris Cross is built with the fourth-generation, self-charging Hybrid system making every drive effortless. A new 116 DIN hp 1.5-litre Hybrid powertrain delivers high levels of performance and efficiency. Switching seamlessly from petrol to electric power at just the right moment, you're rewarded with smooth, responsive acceleration and excellent fuel efficiency. Once you press start, nothing holds you back in this SUV.

* Combined cycle.

A CONFIDENT DRIVE

Thanks to the intelligent design of the Yaris Cross and its Hybrid engine, Yaris Cross is fun to drive and kinder to the environment, in comparison with a conventional car. A lower centre of gravity and high body rigidity ensure that it's agile threading through city streets and expertly handles country roads.

ENGINE SPECIFICATIONS

Petrol Hybrid

POWER

116 DIN hp

FUEL CONSUMPTION

54.3–64.1 (FWD)

55.3 (AWD-i)

CO₂ EMISSIONS

100–113 (FWD)

115 (AWD-i) g/km

ACCELERATION 0–62 MPH

11.2 seconds (FWD)

11.8 seconds (AWD-i)

Figures are provided for comparability purposes; only compare fuel consumption and CO₂ figures with other cars tested to the same technical procedures. These figures may not reflect real-life driving results. All vehicles are certified according to the World Harmonised Light Vehicle Test Procedure (WLTP). Please visit the Vehicle Certification Agency website for the latest information. Choice of options and accessories fitted (pre-registration) may affect the official CO₂ figures, car tax and 'on the road' price.

UNBEATABLE POISE IN EVERY SITUATION

Whatever the day throws at you, drive on. With Hybrid intelligent all-wheel drive (AWD-i), Yaris Cross is the only compact Hybrid SUV to offer the security of intelligent AWD-i. From cornering in heavy rain to accelerating on loose surfaces, AWD-i provides stability and traction. By switching automatically from front- to all-wheel drive, the lightweight system delivers great fuel efficiency and low CO₂ emissions, in comparison with a conventional car, whether you're tackling everyday commutes or extraordinary weather.

UK specifications may vary.

HELP IS AT HAND

To give you a helping hand when conditions get tricky, Yaris Cross's AWD-i mode switch features Trail and Snow modes. On icy, snowy and muddy roads, it helps to minimise wheel spin and tyre slip, keeping you on track and moving on.

YOUR SPACE,
YOUR RULES

The Yaris Cross's large boot, up to 397 litres volume, can be increased with a class-first 40:20:40 folding rear seat system[‡], giving you the room you need when some things are impossible to leave behind.

SPACE THAT
LETS LIFE FLOW

Whether it's space for your shopping or bags for a weekend away, Yaris Cross has all the right answers. Practical and versatile, it features a kick-activated power back door* for when your hands are full. Its flexible rear interior space can be adjusted in height and split in two[§], to give you secure underfloor storage[‡] or increased luggage space on demand. And with a flex belt securing everything from bags to bikes and snowboards while you drive, finding room for life doesn't get any smarter.

* Only available on Excel. § Only on FWD. ‡ Not on Icon.

SIT BACK, RELAX AND PARK UP

Choose the optional City Pack* and every space in the city is yours for the taking, nothing stops you. Whether you're parallel parking outside your favourite store or reversing in a crowded supermarket parking bay, Toyota Advanced Parking Assist makes even the most challenging manoeuvres safer and convenient. With steering, acceleration and braking being operated automatically for you, the pressure of parking is a thing of the past. Along with the 360° Panoramic View Monitor this will make city life feel safer, even in the tightest spots.

Images are not UK specification.

* Please note The City Pack reduces the 9" HD Wireless Smart Connect multimedia screen to the 8" Toyota Touch® with Go Navigation, and replaces the Reversing Camera with a 360° Panoramic View Monitor (PVM), and is only available on Excel grade.

360° VIEWS OF THE CITY

A Panoramic View Monitor combines images from four cameras to create a near 360° view of your surroundings, helping to make parking safer and easier.

UK specifications may vary.

CONNECTED
WHENEVER, WHEREVER

With the MyT app's expanding Connected Services offering, you can feel connected to your car, no matter where you are. Plan and share journeys from home, receive service reminders on the move and optimise your driving style to lower your fuel consumption with Hybrid Coaching. MyT helps you get the most out of life.

LIFE IN SYNC

If you're getting ready for the day or on the go away from your car, comfort and control are in the palm of your hand. With Remote Control Services* you can pre-heat or cool the cabin to the temperature of your previous journey[§], lock and unlock the doors or switch on the hazard lights, all operated via the MyT smartphone app.

You'll also enjoy the freedom of wireless smartphone integration, including Apple CarPlay with Siri voice assist and Android Auto™ with Google assistant. Once connected, your favourite smartphone apps like Spotify, WhatsApp, Audible, Google Maps and Waze are accessible on the car's large touch screen. From playing music and making calls to listening to messages, you'll always feel in sync with life.

^{*} Please note that remote control features are shown here for illustration purpose only.
[§] When using the remote control services please ensure that:

- This service is only used on the owner's/registered keeper's drive. You must not leave a parked vehicle unattended with the engine running whilst stationary on a public road.
- The vehicle is fully immobilised, and you check the safety of the vehicle's surroundings. Make sure that there are no people or animals inside the vehicle.
- Do not operate the system if the hood is open or when the vehicle is parked indoors without ventilation.
- Please be respectful of the environment and minimise any excessive noise or air pollution.

Apple CarPlay is a trademark of Apple Inc.

ALWAYS CONNECTED, NEVER FAZED

With Toyota Smart Connect, advanced multimedia and connectivity is at your fingertips. A new 9" high-definition touch screen* makes streaming playlists, taking phone calls and accessing trip information easy, intuitive and safer. Featuring connected cloud navigation with live road events, Toyota Smart Connect takes the stress out of every trip. Its community-based, real-time accident and speed camera warnings plus live traffic navigation and over-the-air map updates make journeys feel smoother than ever.

INTEGRATED INTO LIFE

Whether it's easily locating available on-street parking or fuel stations, Toyota Smart Connect saves you time and energy at every turn.

* Standard on Excel and GR SPORT grades, and optional on Design.

TOYOTA SAFETY SENSE

The All New Yaris Cross comes with a comprehensive range of Toyota Safety and Advanced Driver Assistance Systems. From active safety technologies such as Pre-Collision System with enhanced steering assist, Intelligent Automatic Cruise Control and Lane Trace Assist, helping to protect you, your passengers and other road users too.

Yaris Cross also boasts an Automatic High Beam System. Optimising your headlight beam when cornering or approaching other vehicles, the system helps you spot danger that’s out of sight while also reducing the stress and strain of night-time driving.

PRE-COLLISION SYSTEM WITH EMERGENCY STEERING ASSIST AND INTERSECTION TURN ASSIST

When the possibility of a collision is detected, Pre-Collision System alerts the driver with audio and visual warnings and brake assistance is activated. If the driver fails to brake in time, the brakes automatically engage to reduce the likelihood and severity of an impact. In addition, early detection of pedestrians (day or night) and cyclists (day only) is also possible. Intersection Turn Assist and Emergency Steering Assist provide further driver support in the daytime by delivering greater safety when turning at junctions and enhanced steering assistance and stability.

INTELLIGENT ADAPTIVE CRUISE CONTROL (IACC)

Combining the benefits of Adaptive Cruise Control and Road Sign Assist, IACC automatically keeps the vehicle at a pre-selected speed and warns the driver if the speed limit changes, allowing them to easily adapt their cruising speed accordingly.

LANE TRACE ASSIST

Should the vehicle begin to drift unintentionally from its lane, steering assist is applied to correct its course and keep the vehicle centred in its lane.

AUTOMATIC HIGH BEAM

When driving at night, a camera detects other vehicle’s lights and automatically switches between high and low beam, allowing the driver to concentrate safely on the road ahead.

BLIND SPOT MONITOR*

Alerts the driver to any vehicles that might be missed in the side mirrors.

REAR CROSS TRAFFIC ALERT* AND INTELLIGENT CLEARANCE SONAR WITH AUTOMATIC BRAKING*

When you back out of a parking space, rear-mounted sensors identify vehicles approaching from the left or right, or stationary objects. Warnings are given and the brakes applied to avoid a collision.

* Features included in the Advanced Safety Pack (Standard on Excel and optional on GR SPORT).

ICON

Sleek styling and technology essentials combined.

MAIN FEATURES

- 16" Silver alloy wheels (10-spoke)
- 8" Toyota Touch® 2 multimedia system with Smartphone integration incl Apple CarPlay & Android Auto™, 6 speakers, DAB & Bluetooth® Connectivity
- Smart Entry & Push-button start
- Pre-Collision System with Pedestrian and Cyclist Detection & enhanced with Emergency Steering Assist
- Reversing Camera
- Full-range Adaptive Cruise Control
- Intelligent Adaptive Cruise Control (iACC)
- Automatic air conditioning
- Lane Trace Assist (LTA)
- Projector halogen headlights
- 3-spoke Leather steering wheel
- Grey Fabric seats & grey roof lining
- Manually height-adjustable, sliding front seats
- 4.2" multi-information screen
- Tyre Repair Kit (TRK)

OPTIONAL FEATURES

- Essential Protection Pack
- SUV Pack
- Adventure Pack
- Side Steps
- Sports Pack
- Towing Solutions

DESIGN

The versatile interior makes this the SUV you need if adventure is your escape.

MAIN FEATURES (additional to Icon)

- 17" Machined-face alloy wheels (5-double-spoke)
 - 40:20:40 split-folding 2nd row rear seats
 - LED projector headlights
 - LED fog lights
 - LED rear lights with sequential indicators
 - Power-adjustable lumbar support on driver seat
- Light blue ambient lighting on front doors, centre console & footwell
 - Privacy glass
 - Black roof rails
 - 7" multi-information screen
 - Rear cup holders
 - Black roof lining

OPTIONAL FEATURES

- Tech Pack
- 17" Matt Black alloy wheels (10-spoke)
- Essential Protection Pack
- SUV Pack
- Adventure Pack
- Side Steps
- Sports Pack
- Towing Solutions

EXCEL

With advanced technology and sophisticated looks.

MAIN FEATURES (additional to Design)

- 18" Machined-face alloy wheels (5-triple-spoke)
- Kick-activated power back door
- Heated steering wheel
- 9" HD Toyota Smart Connect multimedia system with wireless Smartphone integration incl Apple CarPlay & Android Auto™
- Blind Spot Monitor (BSM)
- Taupe fabric & synthetic leather seats, with heated front sports seats
- Intelligent front & rear parking sensors with clearance sonar & automatic braking
- Rear Cross Traffic Alert with Brake Assist (RCTA-B)
- Auto-retractable door mirrors
- Driver & passenger seatback pockets
- Auto-dimming rear-view mirror
- Dual-zone automatic air conditioning
- Grey roof lining

OPTIONAL FEATURES

- City Pack
- 18" Machined-Black alloy wheels (10-double-spoke)
- Essential Protection Pack
- SUV Pack
- Adventure Pack
- Side Steps
- Sports Pack
- Towing Solutions

GR SPORT

All the attitude of an SUV, now with iconic GR SPORT design.
A complete joy to drive both in the city and beyond.

MAIN FEATURES (additional to Design)

- Bi-tone Metallic paint as standard (Scorched Orange & Ash Grey unique to GR SPORT)
 - 18" Machined-face alloy wheels (5-double-spoke)
 - GR SPORT Black Ultrasuede® seats, with heated front sports seats
 - GR SPORT meshed upper and lower front grille
 - GR SPORT suspension tuning
 - GR SPORT leather steering wheel with red stitching
- GR SPORT push-button start
 - GR SPORT Floor mats
 - Black rear bumper and under-run
 - Auto-retractable door mirrors
 - Dual-zone automatic air conditioning
 - Auto-dimming rear view mirror
 - Driver & passenger seatback pockets

OPTIONAL FEATURES

- Side Steps
- Adventure Pack
- Towing Solutions
- 18" Machined-black alloy wheels
- Advanced Safety Pack

TAILOR-MADE ACCESSORIES

SUV PACK

Bold, stylish and practical. Boost the dynamic characteristics of your Yaris Cross with our comprehensive SUV Pack whilst retaining it's pristine condition. Perfect for those who enjoy mixing practicality with style.

- Rear Seat Protection
- Boot Liner
- Rubber Floor Mats
- Front Mud Flaps
- Rear Mud Flaps
- Side Steps

REAR SEAT PROTECTION

Safeguard your rear seats from luggage, bicycles and wear & tear with a toughened, plastic protector.

FRONT & REAR MUD FLAPS

Mud flaps help protect your vehicle from everyday stones and pebbles projected from your SUV's tyres.

ESSENTIAL PROTECTION PACK

Our Essential Protection Pack makes sure that your boot area is kept clean, tidy and protected at all times.

- Rear Seat Protection
- Boot Liner

INDIVIDUAL STYLE

SPORTS PACK – SILVER

The Sports Pack is the perfect statement for those who would like to add a touch of flair to their Yaris Cross. The Sports Pack body kit comes with a front and rear skirt and is guaranteed to add a stylish look to your new car.

- Displayed with accessory wheel; 18" Machined-black alloy wheels (10-double-spoke).
- Rear skirt

— Front skirt

Sports pack is not compatible with Towing Solutions.

For the full range of accessories, please visit the Toyota retailer website.

ADVENTURE PACK

For those who use their vehicle in all conditions. Whether driving through muddy roads, gravel or wet conditions, our mud flaps will help to keep your vehicle's paint safe from the scratches of everyday driving whilst our premium and tough easy-to-clean rubber floor mats will keep the interior of your Yaris Cross looking tidy.

- Rubber Floor Mats
- Front Mud Flaps
- Rear Mud Flaps

RUBBER FLOOR MATS

FRONT & REAR MUD FLAPS

TOW BARS

- Horizontal Detachable Towing Hitch
- 13-Pin Electrics

- Tow Bar Harness Adapter (13-Pin to 7-Pin)

TOWING HITCH

SIDE STEPS

Add a touch of practicality and style with tailor-made Side Steps for the Yaris Cross.

SIDE STEPS

OWNING YOUR YARIS CROSS

Servicing your Toyota
Toyota Service Pricing means you will be sure to know the cost of your service up front. Expertly trained technicians using only genuine Toyota parts will carry out your service at one of over 200 Authorised Toyota Service Centres. The technicians will advise you on the correct service for your car based on the car's age, mileage and service history.

For more information visit toyota.co.uk/owners/servicing-and-aftercare/service-mot-maintenance

Service Plans
Inflation-proof pricing with a monthly or one-off payment plan means one less thing to worry about. With Toyota Service Plans the price you're quoted is guaranteed for the duration of your plan. The service, parts and labour are all paid for either in monthly instalments or as a one-off payment at the beginning of your plan.

For more information visit toyota.co.uk/owners/servicing-and-aftercare/service-mot-maintenance

Toyota Price Repairs
We offer transparent prices on a number of repair items for your Toyota giving you peace of mind when it comes to managing costs. Also don't forget we only use genuine Toyota parts, all of which come with at least 12 months' warranty (some even offer unlimited mileage warranties); and your car will always be dealt with by a trained Toyota technician.

For more information visit toyota.co.uk/owners/parts-accessories/parts

MyT
Whether you're a long-term owner or have recently taken delivery of a new Toyota, there are lots of reasons to join **MyT**. Packed with time-saving and convenient features, **MyT** ensures everything you need to manage your vehicle ownership is in one place. You'll also gain access to **My Rewards** where you can enjoy great offers and discounts from big brands on everything from family days out to pampering as well as everyday deals.

For more information visit toyota.co.uk/mytoyota or download the **MyT** app now available on iTunes® and Android.

Toyota Accessories
Toyota accessories are designed and manufactured with the same care, quality and attention to detail as Toyota vehicles. Tailor-made for your Toyota, they fit perfectly and add a personal touch of style, comfort and practicality. Also, because they've been tested under the most severe conditions, you can have complete confidence in their reliability and durability.

For more information visit toyota.co.uk/owners/parts-accessories/parts

Toyota Roadside Assistance
When you buy a new Toyota you will automatically receive 12 months' Roadside Assistance in the UK and Europe, free of charge. After the first year you can renew this cover at £76 for 12 months or £135 for 24 months by calling 0344 701 6201 or visiting toyota.co.uk/roadside-assistance/

Get up to 10 years/100,000 miles Toyota Warranty*
Every new Toyota comes with a 3 year manufacturer warranty followed by a 12 months / 10,000 miles additional warranty, with every qualifying service.

For full details, please ask your official Toyota Centre or visit toyota.co.uk/relax

Corrosion Cover
The 12-year unlimited mileage cover protects against rust perforation affecting sheet metal body panels as a result of a manufacturing fault. This warranty can also be transferred to any future owner throughout the 12-year period.

Rust and Paint Cover
The 3-year unlimited mileage cover protects against defects and surface rust as a result of a manufacturing fault.

Toyota Business Centre
Our Toyota Business Centre network promise you same-day access to a business manager or dedicated sales executive. With business offers and interactive wholelife cost modelling tools which consider emissions, fuel economy, servicing, insurance and residual value data, our advisers can accurately compare tax costs against any competitor. Whenever servicing is due, we can offer fixed-price servicing, free local vehicle collection and delivery (with wash and vac).

Special offers, fixed-price fleet servicing, specialist fleet insurance, business daily hire, Toyota Fleet Financial Services, extended test drives and a dedicated Business Centre Network are just some of the services business customers can expect from Toyota.

For more information visit toyota.co.uk/businesscustomers

Toyota Motor Insurance
Toyota Motor Insurance is available for Toyota owners at competitive premiums. To obtain details of the benefits included and to arrange a quotation, please contact your local Toyota Centre or call 0800 350 500.

Flexible Finance from Toyota Financial Services
All our plans offer easy budgeting and peace of mind, and **AccessToyota** brings these benefits together in one flexible package.

Toyota Financial Services, Great Burgh, Burgh Heath, Epsom, Surrey, KT18 5UZ.

Finance subject to status to over 18s only. Indemnities may be required. Terms and conditions apply.

TFS is authorised and regulated by the Financial Conduct Authority.

TOYOTA

ENVIRONMENTAL

CHALLENGE 2050

Announced in 2015, our global Environmental Challenge 2050 comprises of six challenges. They cover every aspect of our business, our exploration of new products and technologies, and our role as an enabler for individuals and communities to learn about and improve the natural world around them.

For more information regarding Toyota Environmental Challenge please visit: toyota.co.uk/world-of-toyota/environment/environmental-challenge-2050 or contact your local Toyota dealer.

CHALLENGE 1

NEW VEHICLE ZERO CO₂ EMISSIONS

By 2050, we want to reduce the CO₂ emissions from our vehicles by 90% compared to our 2010 levels. To achieve this, we will promote the development of new vehicles with low or zero carbon emissions, and do everything we can to increase the uptake of these vehicles.

CHALLENGE 3

PLANT ZERO CO₂ EMISSIONS

To reduce carbon emissions at our manufacturing plants, we are focusing on improving the technologies we use and switching to alternative power sources. We are committed to making our facilities more energy-efficient and adopting renewable energy sources such as solar and wind, as well as low-carbon power such as hydrogen energy.

CHALLENGE 5

ESTABLISHING A RECYCLING-BASED SOCIETY AND SYSTEMS

We've been working on the challenge of resource recycling for 40 years, with the result that 95% of every Toyota Yaris Cross is now reusable and recoverable. In addition, we offer new and innovative ways of returning your vehicle when it eventually reaches 'the end of the road'. We are pursuing full life cycle management for battery recovery & reuse and remanufacturing green parts.

CHALLENGE 2

LIFE CYCLE ZERO CO₂ EMISSIONS

We are working to create more environmentally friendly designs – and then analysing and refining them to ensure the lowest possible environmental impact throughout the vehicle's entire life cycle*.

CHALLENGE 4

MINIMISING AND OPTIMISING WATER USAGE

To minimise water usage, we have started to collect rainwater at our manufacturing plants. We have also developed purification methods so that the water we do use can either be used again or returned safely into the local supply.

CHALLENGE 6

ESTABLISHING A FUTURE SOCIETY IN HARMONY WITH NATURE

To preserve and enhance our co-existence with the natural world, we are organising reforestation and tree planting, green urban schemes and other environmental initiatives, both at our own sites and in the wider world. Our aim is to establish a society where people and nature coexist in harmony.

* Toyota's LCA methodology, which is applied to our passenger vehicles, was reviewed and approved by TÜV Rheinland and has been certified to comply with ISO14040/14044 standards.

INSPIRING THE WORLD TO MOVE

Over 85 years of innovation have brought us our greatest mission yet: giving the freedom of movement to humankind. That’s why Toyota is the Worldwide Official Mobility Partner of the International Olympic Committee and the International Paralympic Committee and proud partner of Team GB and Paralympics GB.

We are committed to making movement better for everyone, whether that be across a country, a city or across a room, because when you are free to move, anything is possible.

While every effort is made to reproduce accurate information, we reserve the right to change specifications, equipment and availability without prior notice. This brochure cannot be regarded as infallible (some of the vehicles shown may not be to exact UK specification), and as such does not constitute an offer for sale of any particular vehicle or specification. For the latest specification and availability, we ask that you contact your local Toyota Centre. Vehicle body colours may differ slightly from the printed images in this brochure.

Figures are provided for comparability purposes; only compare fuel consumption and CO₂ figures tested to the same technical procedures. These figures may not reflect real life driving results. All vehicles are certified according to the World Harmonised Light Vehicle Test Procedure (WLTP). Please visit the Vehicle Certification Agency website for the latest information. Choice of accessories fitted (pre-registration) may affect the official CO₂ figures, car tax and 'on the road' price. These dates may change, please visit www.vehicle-certification-agency.gov.uk/fcb/wltp.asp for the latest information. Please contact your local Toyota Centre for further information.

The use of the term 'Toyota Accessories' should not be taken to imply that the products on the accessory pages are actually manufactured by the Toyota Motor Corporation or Toyota (GB) PLC. Toyota (GB) PLC is continually updating and changing specifications of accessories and reserves the right to do so at any time without prior notice.
